

UNIVERSITY GRANTS COMMISSION
BAHADUR SHAH ZAFAR MARG
NEW DELHI-110 002

REPORT OF THE UGC EXPERT COMMITTEE ON ITS VISIT TO SWAMI VIVEKANAND SUBHARTI UNIVERSITY, MEERUT, TO AESS AND EVALUATE ITS PROPOSAL IN ACCORDANCE WITH UGC (ESTABLISHMENT OF AND MAINTENANCE OF STANDARDS IN PRIVATE UNIVERSITY) REGULATIONS, 2003.

DATE OF VISIT : 13TH – 14TH DECEMBER, 2010

I. Background of the Institution

INTRODUCTION

Swami Vivekanand Subharti University, Meerut (hereinafter referred to as the University or SVS University) was established by Government of Uttar Pradesh under the Swami Swami Vivekanand Subharti Vishwavidyala Uttar Pradesh Adhiniyam, 2008 (UP Act No.29 of 2008) (hereinafter referred to as the Act, copy placed at **Annexure-1**) as passed by the Uttar Pradesh Legislature and assented to by the Hon'ble Governor of Uttar Pradesh on September 04, 2008. On getting authorization from the Government of Uttar Pradesh (copy at **Annexure-2**), the University started functioning with effect from 15th September, 2008. The University has been recognized by the University Grants Commission under Section 2 (f) of the UGC Act, 1956. The SVS University has the unique distinction of being the only Private University in the area of the district of Meerut to disseminate higher education (conventional, academic and professional) for the students of this region. The SVS University is situated in 100 acres premises on the National Highway 58 in the National Capital Region just 60 kms. from Delhi.

THE SPONSORING BODY

The University is promoted by Subharti K.K.B.Charitable Trust which made its debut in year 1991 with a noble mission of spreading education in an around Meerut region. The trust/education society is registered under Societies Registration Act, 1958. A copy of the Trust/Education is annexed at **Annexure-3**.

The founding fathers of the sponsoring body realized that higher educational facilities in this region are not adequate for a huge client group of students. Hence, the Trust decided to establish the academic and professional colleges in Meerut initially which conducts Degree Courses. Having realized that education for this region is absolutely essential for the development of the society, the trust took upon themselves to promote academic as well as professional education, as front runner in the region.

INFRASTRUCTURE

The campus is divided into various functional zones like academic and administrative block, hostel, staff quarters and cafeteria complex for faculty and staff covering the area of around 1.49,282 sq.mtr.(Covered Area). The University conducts programme in various disciplines as per details given below.

LLM	10	50	60
Ph.D in Law	0	05	0
MJMC	0	02	04
PGDJMC	19	05	03
MFA	0	0	12

In addition, the University has started M.Phil. and Ph.D. Courses required to convert local unemployment youth into employable youth. The University has class rooms equipped with modern facilities, good laboratories well equipped library and workshops. The University has appointed teachers and non-teaching staff for overall functioning of the University. Serious efforts are being made to acquire more faculty and administrative officers for accelerating the development of the University. The University has a varied student profile depending upon the nature of courses in its initial year itself and hopes to better it in the years to come.

Vision, Mission and Objectives

Vision

To develop a Centre for Excellence for technical, professional, academic education and research, at par with national and international standards.

Mission

To develop the framework for effectively conducting various educational and research programmes of the highest standards so as to produce confident, self-reliant, and responsible youth for the society and eminent professionals for government, industry and business.

Objectives

- Offer conducive environment for pursuing research and practical studies with market driven orientation.
- Give students new ideas, fresh visions, pragmatic ambitions and enhance competencies for success in the ever changing business environment.
- Prepare and assist students in improving their career prospects through career and placement counseling, on-the-job training, industrial visits, presentations, group discussions, placement support etc.
- Promote and practice convenient distance education concept in India to bring in more students into the fold of education.
- Spread job oriented education in rural and tribal areas with the help of latest audio-visual communication and use of information technology.

Approvals and Accreditations

At present, the University is running 37 undergraduate and post-graduate courses in various colleges. The number of students admitted in these

courses in 2008-2009 was 906, which rose to 1327 in 2009-10 and to 1517 in 2010-11 (Details at **Annexure-4**). The courses requiring specific approval of statutory bodies as indicated below were started after the required approvals were obtained.

Placement

As the University is just in its third year, the students have just moved into their respective 6th semester. Despite the fact that placement is done by the University to various corporate sectors and industry (**Annexure-5**). The University has already made serious efforts to cater to the future needs of the students in terms of summer training and placement. In this direction, the University has already developed close relationship with the following important industries in the region and also getting ready to fan out to other industries all over the country. The industries in the region with whom appropriate relationship has been developed are in (**Annexure-6**). It would be too early for the University to claim hundred percent placement as many batches are yet to be complete their courses.

The University, at present is more concentrated primarily on teaching/learning processes but also emphasizes on developing healthy mutual relationship between the students and teachers community, between peers through various extra curricular and extra mural activities like mentoring, guidance, presentation seminars, participating in various competitions, developing engineering models almost in all departments and charts and other similar activities. The research aspects of the University are yet to pick up.

II.Composition of the Expert Committee

1. Prof. Mohammad Miyan Chairman

Vice Chancellor
Maulana Azad National Urdu University
Gachiboeli, Hyderabad- 500 032
Mob: 08008898902/ Office: 040-23006601
E-mail: vc@manuu.ac.in

2. Prof. Mohammad Obidi Siddiqui, Member
I/C, Director, MCRC,
Jamia Millia Islamia,
New Delhi-110 025
09811270261
Email: obaid.siddiqui@akjkmrcr.org.
3. Prof. Usha Mohandas Member
Former Principal,
V.S. Dental College & Hospital
Bilore K.R. Road, V.V. Puram
Bangalore.
4. Prof. Suresh Kumar Member
Department of Medicine
Maulana Azad Medical College
New Delhi
09968604276
5. Prof. Surjit Angra Member
Department of Mechanical Engineering,
NIT, Kurukshetra (Haryana)
Mob:-09416993047
Email:-anurasurjit@yahoo.com
6. Prof. R.A. Gupta, Member
Department of Electrical Engg.
NIMT, Jaipur
09414052862 Mob.
Email: ragmnit@gmail.com
7. Prof. A.K. Gupta AICTE Nominee
Indian Institute of Technology,
New Delhi

21	Whether any Off-Campus or Study/offshore Centre of Admission Centre/ established outside the State / abroad.	The University has not established any study center or off shore campus/centre or admission center outside the state of UP or abroad under regular mode of education. However, under the distance education mode the University has established 128 study centres in the state of U.P.			
22	Whether functioning of the University has been Computerized? If yes, to what extent	<p>Yes, The functioning of the University has been Computerized to the extent mentioned below:</p> <p>Library</p> <p>1.All the libraries have been computerized through T.L.S.S. (Total Library Software System) for the following tasks:</p> <ul style="list-style-type: none"> (i) Record keeping of all the books with subject name, author name etc. (ii) Issue of books to students and teachers. (iii) Barcode publishing and identification by barcode reader <p>Finance Division</p> <p>.</p> <p>2. Accounts department has been computerized through “Tally” for salary management of the teaching staff.</p> <p>Central Store</p> <p>3. The Central Store has been computerized through “Tally 7.2” which contains information regarding the suppliers, bill number and the items purchased.</p> <p>Academic</p> <p>4. Three modules of the Enterprise Resource Planning System (ERP), which is the web based integrated university management system software, have been developed in house for effective management of administrative and other functions. The first module is the Student Record System under which information</p>			

		<p>regarding all the students is being stored and maintained batch and course wise. The second module is the Online Examination System through which online examinations are organized at the entrance level and for internal assessment. The third module computerizes the pre admission process by which a student can apply online or offline to any course.</p>																																		
23	<p>A) Research and Extension Facility</p> <p>B) List of Research Publications for the last 3 years.</p>	<p>A) The University promotes and encourages the faculty members to undertake Research Programmes for their professional development and enrichment of courses/ teaching.</p> <p>The faculty members are given academic leave and financial support to attend Seminar/Conference/Workshop & Symposia.</p> <p>The University is also offering M. Phil, Doctoral Research Programmes. The thrust areas of Research Activities are Medicine, Dentistry, Engineering & Technology and Environmental, Education, Law and Arts etc. Faculty members are encouraged to present their Research Work in the National/International Conferences/ Seminars/ Workshops.</p> <p>An Environmental testing & Research Laboratory and a Space Technology and Cancer Research Lab under faculty of Engineering is being setup. A Central Research Station under faculty of Medicine has been set up for research.</p> <p>B) The University has been producing a large number of research papers, which are regularly published in reputed journals. 3	Withdrawal after 15 th September to 25 th September	50% fee & full security	50% of prescribed fee
4	After 25 th September	No refund of prescribed fee	
(ii) Other Courses:-			
(a)	Till 15 days before last date of admission	Full fee & Security	Rs.2000/- as processing fee
(b)	Till last date but after time limit of point no.(a)	90% of fee & full Security	Rs.2000/- as process fee and 10% of course fee
(c)	After last date of admission	No refund of fees	

29 Examination system.

EXAMINATION: The examination system of the University is two fold that is semester system as well as annual system. Practically in all streams except where statutory bodies such as Medical Council of India, Dental Council of India, Nursing Council of India, National Council for Teacher Education have provided annual examination, Swami Vivekanand Subharti University has adopted semester system in courses such as B.Tech., M. Tech., MBA, MCA, BCA, BJMC, MJMC, PGDJMC, B.Lib., M.Lib., BA LL. B., BFA, B. Pharma, LL.M., M.Phil. Annual system of Examination is followed for BDS, B.Sc Nursing, BPT, B. Ed. and B.P.Ed courses and for MBBS as per provision in their Councils.

The performance of students are assessed on the basis of class tests, tutorials, terminal examinations projects and term examination written and practical, according to the relevant ordinances.

PROMOTION: Promotion of the students on the basis of performance in examination is given according to the provision in the Ordinance. In brief in all those courses, where the scheme of promotion has been provided by the statutory bodies such as MCI, DCI, INC; the promotion scheme has been adopted by the University on those guidelines and provided in ordinance of these courses.

In the courses having semester system, the promotion scheme is on the basis of Carryover Papers (Back Paper). The students from odd semester are promoted to even semester irrespective of the number of back papers. After even semester, those students who pass in 50% or more than 50% of the subjects taken together both semesters of the relevant academic year, are promoted to the next year. Students having carryover paper (s) re-appear along with next odd/even semester examination depending on the subject. The promotion criteria have been mentioned in the ordinance of each course.

For Courses having yearly system (i.e. D. Pharm, MPT, B.Sc – Nursing) a student is promoted to the next year who have failed in two or less number papers.

UNFAIR MEANS: Unfair means of Unfair means reported during the Examination are dealt with in the following manner:-

- During the course of written examination if a student is caught using U.F.M., the written copy along with the in criminating document found with him are freezed by the invigilator and sealed in an envelope and forwarded to Controller of Examination for further action as per rules.
- The Controller of Examination sends all the cases reported under Unfair Means to a Committee constituted for dealing unfair means cases. The Committee after examining each case sends the report for decision and appropriate action thereupon.

		<ul style="list-style-type: none"> The committee wherever required, calls the student concerned to take their statement or clarification, before sending the report. The decision on the cases reported under Unfair Means is taken case by case on individual merit of the case. If the student has been found not to have taken advantage of any material found with him his result is declared and warning is issued to the student. In those cases when the evidence are established for adopting Unfair means, his examination of that paper is cancelled. He is required to appear again in the subsequent examination. If the student is found misbehaving with the invigilator in the examination hall when caught under unfair means his case is booked under gross indiscipline along with unfair means and case is reported to the Disciplinary Committee and is not permitted in further examination pending decision in that case. Attendance

35	Whether University is following UGC Pay scales for teaching staff.	Although the University authorities are making all out efforts to introduce UGC Pay Scale based on the recommendation of VI Pay Commission, the impediment to do so are twofold. Primarily because many teachers of the University do not possess required qualification under UGC norms. Despite making all efforts to recruit faculty members as per UGC norms, we could not succeed in this regard. To ensure that the students do not face any inconvenience in terms of learning, we had no other alternative but to recruit experienced and absolutely fresh teachers although many of them are not having Ph.D. or NET as required under the UGC norms. Hence they were offered consolidated salary almost equivalent to pre revised UGC scale.
36	Facilities for faculty and staff.	The faculty is provided with all modern facilities and aids in the teaching learning process:- <ol style="list-style-type: none"> 1. A good working environment and space for each faculty. 2. A Work station with adequate storage space. 3. PC with Internet facility. 4. IV. Observations of the Committee

- The University is financially sound and capable to meet the present requirement.
- The University has good infrastructure to accommodate the existing faculties/ schools. The construction activities in the campus are in

progress in a significant way. Many of the department will shift to the new structures as and when they are ready.

- The Board of Governors and the Academic Council consists of prominent industrialists and academicians who are continuously extending support and guidance to the University.
- The University has well designed curriculum, teaching and learning process, examination and evaluation system.
- The University has well established eligibility criteria for admission to courses.
- The University has representation of students from a large number of states.
- University has provision of scholarships on the basis of merit and merit-cum-means. The broad range of scholarships available to students is as per the University policy.
- The Expert Committee found that the faculty members and students in general are satisfied with the functioning of the University by the management.
- The University has adequate infrastructure and academic facilities to offer the courses and further additions and renovations are being carried out.
- The University had advertised the teaching posts several times and conducted the meeting of selection committee and selected the candidates for appointment to the teachers. But mostly the candidates did not join the university due to the reason best known to them.

Hence the university has appointed the teachers on contract basis so that the courses can run smoothly and the students may not suffer.

- The University has also assured that the appointment of regular teachers will be made soon as per UGC norms

- The University has a Mass Communication and Journalism Department which offers a bachelors degree course, a masters degree course and a postgraduate diploma in Mass Communication and Journalism. The students of these courses have access to three daily newspapers which are published by the University in Hindi, Urdu and Punjabi respectively. It has its own well equipped television studio with three camera set up and editing facilities with four FCP work stations. It also has four PD 170 video cameras . The Committee felt,that though these facilities are adequate at this stage keeping in view the number of students attending these courses, they need to procure more professional equipment in future.

- The University also offers a bachelors and a masters degree course in Fine Arts through its Fine Arts Department. The Committee felt that though the labs are adequate for practical exercises and hands own training, they don't have enough still cameras and they need to purchase more SLR Cameras for the students for fine arts courses.

College of Higher Education

The College of Education have been several departments offering courses like MBA, B.Ed., BPEd., B.Lib., M.Lib., BBA, BCA, MCA and PGDCA. The faculty is adequate and infrastructure facilities for offering these courses are satisfactory. The college has a big library having the latest books on subjects concerned. In B.Ed. BPEd.

Courses the practical aspects are given due importance and teaching practice takes place in accordance with NCTE norms.

College of Physiotherapy and College of Pharmacy

The College of Physiotherapy is having BPT and MPT courses and College of Pharmacy is offering B.Pharma and D.Pharma. Currently, the colleges are running in a temporary accommodation. The laboratories are being constructed and being developed in a newly constructed building meant for the colleges of Physiotherapy and Pharmacy. Currently, the labs are being shared with medical college.

Directorate of Distance Education

The Directorate of Distance Education has recently started its courses from the session 2009-2010. Currently, it is offering 28 programmes ranging from one year to three years duration. The material is being developed by the Directorate for the students of Distance Education. The Directorate is recognized by the Distance Education Council vide their letter No.DEC/Recog/2009/3174 dated 9.9.2009. The Directorate has 128 study centres through which it is offering courses and conducting counselling sessions. The Directorate has constituted a study material assessment committee of which the Vice-Chancellor is the Chairman.

Medical College

1. The admission procedure for admission to the course of MBBS is started.
2. The college and hospital are spread over 12.63 acres of land which are contiguous. It is located in rural area approximately 20 kms away from the main city.
3. The infrastructural facilities available in the pre-clinical departments of Anatomy, Physiology and Biochemistry are adequate and as per norms of the MCI.

4. The physical infrastructural facilities available in para-clinical departments viz. Dept of Preventive and Social Medicine, Pharmacology, Pathology, Microbiology and Forensic Medicine are adequate and operational.
5. The physical infrastructural facilities and clinical material available in clinical departments viz Medicine and allied, Surgery and allied, Obstetrics & Gynecology, Anaesthesia, Radiodiagnosis and Dentistry are adequate and operational.
6. There are 860 beds in the hospital.
7. Teaching faculty available in the Pre-clinical, Paraclinical and Clinical departments is adequate and as per MCI norms.
8. The hospital has a functioning blood bank.
9. The Accident and Emergency department of the hospital is well equipped.
10. Various intensive care units like Intensive coronary care unit, Intensive care unit, Respiratory Intensive care unit, surgical intensive care unit, Pediatric Intensive care unit and Neonatal Intensive care unit are well equipped.
11. The library is spacious with seating capacity for 200 students and a separate reading room with a seating capacity of 50 is also available. There are 25 computers with internet facility are available in the central library. At present, there are 11488 books and 140 journals which is as per MCI norms.
12. Hostel facilities for Boys and Girls are available with adequate facilities.
13. Multistoried apartments for teaching, non-teaching and nursing staff has been provided.
14. The college has 4 gallery type lecture theaters with seating capacity of 200 each. One lecture theatre is also available in hospital.
15. The laboratories are well equipped and investigative facilities are satisfactory. Sufficient number of technicians and other supportive staff is available.
16. There are 12 major and 6 minor operation theatres in the hospital complex. One Septic OT is available. All of them are operational.
17. Mortuary facilities are available in the college but autopsies are being done in the government hospital.

18. The college has an animal house.

Dental College

1. SVS University Dental College and Hospital is spread over an area of 15 acres of land.
2. The Dental College and dental clinic general is situated in the same building and is according to the norms as laid down by DCI.
3. The admission procedure for MDS and BDS is via common entrance conducted by UP Government Act Association of Pvt. Dental College.
4. The infrastructural facilities are available in the basic science departments of Anatomy, Physiology, Bio Chemistry and pre clinical dental subjects as per norms of Dental Council of India. All basic medical subjects are taught by faculty of SVS Medical College who are qualified as per norms of MCI.
5. The facilities are available in para-clinical departments viz. Clinical Pathology and Microbiology which the dental students utilize.
6. The physical infrastructure , facilities and clinical material (patients) are also as specified by the DCI for 100 UG and 25 PG admissions.
7. Teaching faculty are full time, qualified as per DCI Norms.

Engineering Department

The SVS University is already equipped with latest tools in imparting quality methods. Almost all the classes are provided with good teaching aids. Faculty members are trained to prepare PowerPoint presentation. The University proposes to publish teaching materials and online tutorials.

The teachers of the University have adopted diverse methods to impart education in the field of theory and practical. Participatory learning is encouraged by introducing and developing a number of innovative methods. Student Center Education has been a primary focus on SVS University, Meerut.

Remedial classes are held by the college for weaker sections of the society and students in all disciplines.

At present, there are 28876 books with 3148 titles and 875 journals are being subscribed as per AICTE norms

V. Suggestions of the Committee

- University needs to procure additional and latest equipments required for conducting practical and carrying out research programmes for the subsequent latches of the on-going programme as also for the proposed programme.

- The University should involve industry personnel more actively in curriculum development and teaching. The University should explore the possibility of entering MoUs with the corporate and other academic institutions and the faculty should develop interactions with industry by undertaking joint projects and should formulate research projects and compete to obtain external funding.

- University should to adopt the UGC (Minimum Standards and Procedures for Award of M.Phil./Ph.D. Degree), Regulations, 2009 dated 1st June 2009 as it is applicable to every University.
- University need to increase the residential facility to attract better quality teachers.
- The University should also adopt the minimum qualifications as suggested by the UGC (2010).
- University may be asked to provide more scholarships / loans for needy and brilliant students, if possible.
- University should establish Health Centre with full time medical officers, appoint a Director (Physical Education) so that the sports activities are geared up. University should establish a Counseling Cell for the students.
- Every student should be provided a Brochure containing all relevant information in respect of examinations and evaluation system well in advance.
- The University should earmark a certain percentage of the revenue generated for research undertakings by faculty members as well as support more actively the participation of faculty members in international conferences / seminar etc. Also the subscription to the national and international journals should be commenced at the earliest.

- It will be necessary for the University to support expenditure for high end laboratory equipment and this must be done expeditiously.
- The University should introduce a rational salary structure, consistent with the standards as set-out in terms of Sixth Pay Commission recommendation as soon as possible.
- University should recruit regular faculty to fill in the positions/likely vacancies at the earliest possible with the UGC pay scale.
- The UGC should review the implementation of the recommendations of the Committee by the University within three year.
- Medical facilities should be provided to all sections of the University free of cost.
- Clinical materials is sufficient in most of the major specialty, however, more teaching material is required for postgraduate courses.

VI. Specific Recommendations of the Committee, if any.

In view of the above facts and observations, discussion with students, teachers and members of management, the Expert Committee is of the opinion that the Swami Vivekanand Subharti Vishwavidyala Uttar Pradesh established by an Act of State Legislature, (Adhiniyam, 2008 UP Act No.29 of 2008), is a fit case for recognition by the UGC and unanimously recommends for the same. This Committee is also of the view that the University may be asked to take suitable corrective measures on the suggestions made above by the committee and submit the compliance to the UGC.
