Subject:- Guidelines for Implementation of Recognition of Prior Learning in Higher Education

Recognition of Prior Learning in Higher Education is an assessment process aimed to help learners creditize the knowledge and competencies acquired through formal, non-formal and informal learning, for seamless integration with higher education qualifications.

I am happy to share the guidelines for the Recognition of Prior Learning (RPL) in Higher Education. All Higher Education Institutions (HEIs) are requested to adopt RPL and help learners creditize their competencies and skills in acquiring qualifications.
