F.No.1-1/2023(EnvironmentEducation)

23rd September, 2024/ 01 आश्विन, 1946

Subject: Request for Implementation of UGC Guidelines and Curriculum Framework for Environment Education at the Undergraduate Level

आदरणीय महोदया/महोदय,

In continuation to the previous letter no.D.O.F.N.1-1/2023(EnvirEdu/Part File) dated **5th June 2023** regarding the launch of the **UGC Guidelines and Curriculum Framework for Environment Education at the Undergraduate Level**, all Higher Education Institutions (HEIs) are once again requested to ensure the implementation of the Environmental Education course as part of all undergraduate programs, in alignment with the objectives of the **National Education Policy (NEP) 2020** and in compliance with the mandate of the **Hon'ble Supreme Court of India**.

The course covers critical topics such as climate change, waste management, biodiversity conservation, and sustainable development, which are essential for preparing our students to address contemporary environmental challenges.

We also encourage using innovative teaching approaches, including **team teaching**, to enrich the learning experience for students. The detailed curriculum and guidelines are available on the UGC website (www.ugc.ac.in) for your reference.

We look forward to your continued support in fostering environmental responsibility among students and promoting sustainable practices in education.

सादर,

भवदीय

(मनिष जोशी)

To,

The Vice Chancellors of all Universities

The Principals of all Colleges
