16. Strength and Weaknesses of the University

16.1	Strengths of the University	<p>The University has been established based on the nucleus of constituent colleges which were already functioning as affiliated college of Punjab Technical University, Jalandhar for technical courses and Punjabi University, Patiala for other courses. Thus the University has more than adequate infrastructure, well equipped laboratories and a mix of senior/junior dedicated teachers. Constituent colleges were already conducting post graduate courses in engineering. Academic and administrative bodies such as (Governing Body, Board of Management, Academic Council, Finance Committee, Board of Studies, Planning Board) has already been constituted as per UGC and Government norms. The University also has separate hostels for boys and girls as per actual requirements. University has got its own transportation facility. Central University at Bathinda and Punjabi University Campus at Talwandi Sabo are in close vicinity of the Guru Kashi University for academic interaction. University has MOU with Punjab Technical University in the fields of research & faculty development. The University has students on its rolls from the Malwa region of Punjab as well as from other states. Prominent Industries like Guru Gobind Singh Refinery, Talwandi Sabo Power Ltd., Guru Nanak Dev Thermal Plant, Bathinda, National Fertilizers Limited, Bathinda Chemicals are in proximity of University. University is located in lush green pollution free environments. University is connected with wide and</p>

		multilane road with all important cities in Punjab and Other states. Biggest Railway Junction of India (Bathinda) is just 35 KM from the university.
16.2	Weaknesses of the University	There is a marginal shortage in senior faculty, all out efforts are being made continuously to make up the same. There is no air connectivity available. The nearest airports are located at New Delhi, Chandigarh and Amritsar. However, an airport has been established at Bathinda by the Punjab Government. Efforts by the State Government are vigorously being made to obtain all statutory clearances from the Central Government to start domestic flights from and to Bathinda. Railway line from Bathinda to Talwandi Sabo is being expedited at all levels.

Certificate

This is to certify that all the information provided above is true to the best of my knowledge and belief. The University will adhere to the rules, regulations and guidelines of the UGC, Central Government and relevant Statutory Council(s) and abide by all the provisions under the UGC Regulation.

The above information is also posted on the website of the University www.gurukashiuniversity.in.
