

## Scholarship Grants for International Students at Kazan Federal University, Russia

Limited number (in all 400) of grants open to all international students would be provided on a competitive basis and would cover expenses towards tuition fee for the entire period, Russian language training (if needed), accommodation in KFU dormitories, monthly stipend based on the performance of Grantee during his/her education and one way ticket to Kazan.

Applications for the contest will be accepted upto July 25, 2014 for graduate and specialty and upto August 1, 2014 for post-graduate school. More information about the rules of admission to KFU and conditions of participation in this grant programme can be obtained from Ms. Gazieva Chulpan Fratovna, Head, Students Recruitment Office, Department of External Relations (Tel.: +7(843) 233-70-27; Email : [admission@kpfu.ru](mailto:admission@kpfu.ru) or on the website of KFU admission committee:<http://kpfu.ru/priem>.

Kazan Federal University is among the top 10 institutions of higher education in Russia and is the second oldest Russian university. KFU employs more than two thousand faculty members, of these over 30% higher-education teaching personnel are young scientists, specialists and lecturers. Over the last decade it has succeeded in promoting state-of-the art research in the areas of nanotechnologies and biomedicine, psychology and cultural studies, humanitarian and pedagogic technologies, often taking advantage of interdisciplinary approaches. KFU provides its students and staff with many laboratories, a botanical garden, research field stations, three astronomic observatories and other facilities.

KFU has received special federal grant for launching this grant programme aiming to facilitate development of educational linkages between Russia and other countries, including India.
