## **PUBLIC NOTICE**

### **Sub: Draft Guidelines for Incorporating Indian Knowledge System in Higher Education Curricula.**

India's Knowledge Systems have the potential to provide pertinent reflections to aspiring students to develop their leadership and problem-solving skills, charting a future course of action with its integration within existing educational frameworks. In this regard, the UGC has prepared Guidelines for Incorporating Indian Knowledge System (IKS) in Higher Education Curricula. Integrating IKS within the existing educational framework will aid in preserving and disseminating Indian Knowledge System for further research and societal applications. The Universities / Institutions may prepare courses and programmes as per guidelines accordingly. This will help to preserve India's ancient heritage by including it in academic courses and curricula.

The draft "Guidelines for Incorporating Indian Knowledge System in Higher Education Curricula" are available on the UGC website [www.ugc.ac.in](http://www.ugc.ac.in). Feedback/suggestions are invited from the stakeholders and the same may be sent on the e-mail: [ugc.iks@gmail.com](mailto:ugc.iks@gmail.com) latest by 30.04.2023.
