**Subject : Guidelines for Institutional Development Plans for Higher Education Institutions.**

**Respected Madam/Sir,**

National Education Policy (NEP) 2020 recognises the importance of Institutional Development Plans and recommend that each institution will make a strategic Institutional Development Plan with the joint participation of Board members, institutional leaders, faculty, students and staff based on which institutions will develop initiatives, assess their progress, and reach the goals set therein. To enable the Higher Educational Institutions (HEIs) to undertake the Academic and Professional Excellence journey in pursuance of the goals set in line with the vision of National Education Policy (NEP) 2020, UGC has developed guidelines for HEIs to develop their own Institutional Development Plans to aim the goals set out in the NEP 2020.

The Guidelines are available on the UGC website.

The Higher Education Institutions are requested to do the needful for implementation of the guidelines in letter and spirit.

With kind regards,

Yours sincerely,

(Manish Joshi)
