**Subject: Circulation of UGC Guidelines for Establishing University-  
Industry Inter-Linkage Centers in universities**

Dear Sir,

The significance of university-industry interactions has become an important agenda of higher education on policy-making front at both national and institutional levels. There are many areas of collaboration between universities and industries which are mutually beneficial. Participation of expertise available in the Faculty of the universities in offering consultancy services to industries and assisting their R & D activities and participation of industries in placements and internships of students of universities and in their skill development and employability are cases in point. Considering the importance of the issue, the UGC has framed guidelines for the Scheme of Establishing University-Industry Inter-linkage Centers (UIL Centers) in the universities. The Guidelines have been approved by the Commission in its meeting held on 27.07.2015. These Guidelines are also available on the UGC website [www.ugc.ac.in](http://www.ugc.ac.in). You are requested to kindly ensure the compliance of these Guidelines by all the departments of your university as well as the colleges affiliated to your university.

(Jaspal S. Sandhu)

To

**Vice-Chancellor of All Universities**

Copy to:

1. Shri Amit Shukla, Director, Department of Higher Education, Ministry of Human Resource Development, Government of India, Shastri Bhavan, New Delhi – 110 0115 (for information)
