Students in Undergraduate and Postgraduate Programmes
in Higher Educational Institutions in India**

The National Education Policy (NEP) 2020 envisages a new and forward-looking vision for India's higher education system. Internationalisation of higher education is an essential aspect of the National Education Policy 2020.

In order to facilitate the internationalisation of Indian Higher Education Institutions (HEIs) the University Grants Commission has framed the guidelines for admission and creation of supernumerary seats for international students. These guidelines have been framed to facilitate a smooth and simple admission process for international students, to create a favourable environment for attracting international students to Indian higher education system and to make India a preferred destination for international students.

The draft guidelines are attached herewith for comments / suggestions from all stakeholders. The comments/suggestion may be sent to UGC on policyfeedbackugc@gmail.com upto **5th September, 2022**.
