Sub: Australian Government Scholarships and Fellowships Programme.

The Australian Government offers “Endeavour Scholarships and Fellowships” to high achieving students, researchers and professionals from around the world including India to study in Australia’s world-class education institutions or undertake a professional development program. These scholarships are internationally-competitive and merit-based and provide the unique opportunity to undertake international study and research and also internship or work placements in Australia.

Interested applicants may directly apply for the above mentioned Scholarships Programmes. Details of scholarships are available at <http://education.gov.au/endeavour-scholarships-fellowships-and-grants>.

There is no financial liability on the part of the UGC for this Programme.

Education Officer
