

**COMPLIANCE REPORT SUBMITTED BY JAGANNATH UNIVERSITY,
JAIPUR RAJASTHAN**

S.No.	Observations/suggestions of the UGC Expert Committee	Compliance submitted by Jagannath University	Observations of Bureau
1.	The University should recruit more qualified teachers as per norms of UGC particularly for the Departments of Management & Mass Communication.	3 more qualified faculty, as per UGC norms have, already been appointed in Management & Mass Communication Departments in Aug, 2009.	We may accept as per details given by the University in Annexure – F.
2.	The University should encourage the students for admission in the stream of Mass Communication and courses by adopting suitable admission policies.	The students are motivated for admission to various courses including Mass Communication. The University has adopted marketing strategies through electronic media, Print media etc. at various cities of the country to attract large number of students in various discipline including Mass Communication.	We may accept as per details given by the University in Annexure – A.
3.	The labs are spacious but it needs for to be air conditioned.	All the labs will be made fully air conditioned from the next academic session.	We may accept as per details given by the University in Annexure – G.
4.	Few Staff Quarters should be constructed at Sitapur campus.	The Construction of Staff Quarters at Sitapur campus has also been started and will start functioning in the next few months.	We may accept as per details given by the University in Annexure – D.
5.	A Day Care centre should be established at Sitapur and Chaksu Campuses.	The work has already been started and will become operational from the next Semester.	We may accept as per details given by the University in Annexure – H.
6.	Facilities for physically Challenged students are	As on date, there is no physically challenged	We may accept as per details given by

	inadequate at both the Campuses. It should provide a barrier free environment with ramp/lift for physically challenged students as per the norms laid down by the Govt. of India.	students on the roll of the University. However adequate measures are taken for physically challenged students.	the University in Annexure – J.
7.	The University is lagging behind in recruiting the teaching staff from SC/ST Categories.	Despite the best efforts the University could not find qualified faculty members from the SC/ST Community. The University is once again in the process of recruiting some qualified faculty exclusively from SC/ST and an advertisement is being released in the newspaper.	We may accept as per details given by the University in Annexure – I.
8.	The University should have central library well equipped with informed and digital facilities in both the campuses and departmental libraries for various Departments.	A centralized computerized library at Chaksu campus with Internet and Internet facilities is under construction and will become functional from the next academic session.	We may accept as per details given by the University in Annexure – E
9.	Faculty Cubicles to be provided to each faculty with internet facility.	Already done.	We may accept as per details given by the University in Annexure – B.
10.	The University should undertake special efforts to promote conventional courses namely arts & crafts, B.Com. etc.	The admission notifications were released in the newspapers for admission to conventional courses for academic session 2008 – 09 & 2009-10 but could not attract adequate number of students. Efforts are being made to attract the students for conventional courses.	We may accept as per details given by the University in Annexure – E
11.	The faculty who are	The University places a	We may accept as
