Part -III- Summary Report

A. Legal Status

(i)	Is the University duly established under the law and as required in the UGC Regulations? (refer 1.10 and 1.11 of the format)	As per requirement of UGC Regulation for Private Universities, the RKDF University was established by an Act of Govt. of M.P. & published in State Gazette on 19-07-2011
-----	--	--

H. Financial Viability

(i)	Does the University have adequate and independent funds?	The University has endowment fund of Rs. 5 Crores. For the Financial Years 2012-13 , 2013-14 and 2014-15, the total difference between Income & Expenditure was Rs. 55.55 Lacs and the depreciation was Rs. 138.99 Lakh. Thus the cash in hand available with the University is Rs. 83.44 lacs. Moreover, the collection of fees has increased by 21% in one year. The Society is
-----	--	---

		also giving capital grants to the University for infrastructure development. Thus the University has sufficient funds.
--	--	--

J. Research Profile

(i)	How would you rate the research profile of the University in terms of Research orientation, environment Facilities and output? Please give comments separately on faculties and departments	Both the sectors need attention and improvement.
-----	--	--

K. Miscellaneous

(i)	Is the Non-Teaching staff adequate well qualified and paid as per the norms of the concerned state Government?	University has adequate Non-Teaching staff and they are paid by and large as per the norms.
(ii)	Do the academic result show evidence of independent and rigorous evaluation prior to the issue of degrees?	This is too early to comment since the University is just two years old.
(iii)	Has the University obtained necessary and desirable accreditations?	Time is not yet apt.

L. Strength and weaknesses of the University

(i)	Strengths of the University	- University has enough land and buildings. - Location of University is nearer to the Airport and well connected with roads and also near to the city. - University has banking and ATM facilities, one canteen, a few staff quarters, three boy's & one girl's hostel. - CCTV Cameras in the campus. - University has one Central Library and several departmental libraries. - Research Facilities are in infancy. - University has received some Govt. sponsored projects.
-----	-----------------------------	---

		• University has its own workshop for making furniture and maintenance of vehicles. • Sports facilities are being developed. • Uninterrupted Power and water supply. • 100kW Roof top grid connected Solar PV plant for sharing system load. • 100Mbps High Speed Fully Dedicated Leased Line. • Cordial atmosphere exist in the campus.
(ii)	Weaknesses of the University	• Unable to attract meritorious students. • Inadequate number of qualified and experienced teachers. • Inadequate eateries and shopping facilities. • Inadequate supervision and maintenance of all installations • Lack of sophisticated equipments for teaching and research. • Lack of e-library.

Part IV- Recommendations

A. General observation and suggestions (Please avoid repetitions of the point mentioned above)

The committee has interacted with all stake holders makes the following observations:-

- In general the university authorities seem to be Enthusiastic, Motivated and Resourceful.
- The University needs proper academic guidance for further develop it in a befitting manner.
- Due attention be paid to soft skill development of students since good number of them come from rural areas.
- Good number of experienced and research oriented faculty members may be recruited.
- Sophisticated equipments be acquired in a progressive manner ----- for teaching and research.
- Mandates of the statutory bodies be adhered to.
- Experts from specific fields should be invited to enrich and update the knowledge of the teachers.

- Non Doctorate faculty members be insisted upon completion of their Ph.D as early as possible. University is advised to facilitate the process.
- The University must codify all the courses of studies in hierarchical manner e.g. school of studies consisting of concerned department. For instance, School of Engineering shall comprise of Department of Chemical Engineering, Department of Mechanical Engineering etc.

B. Operations recommendations which require satisfactory compliance by the University before issue of approval letter

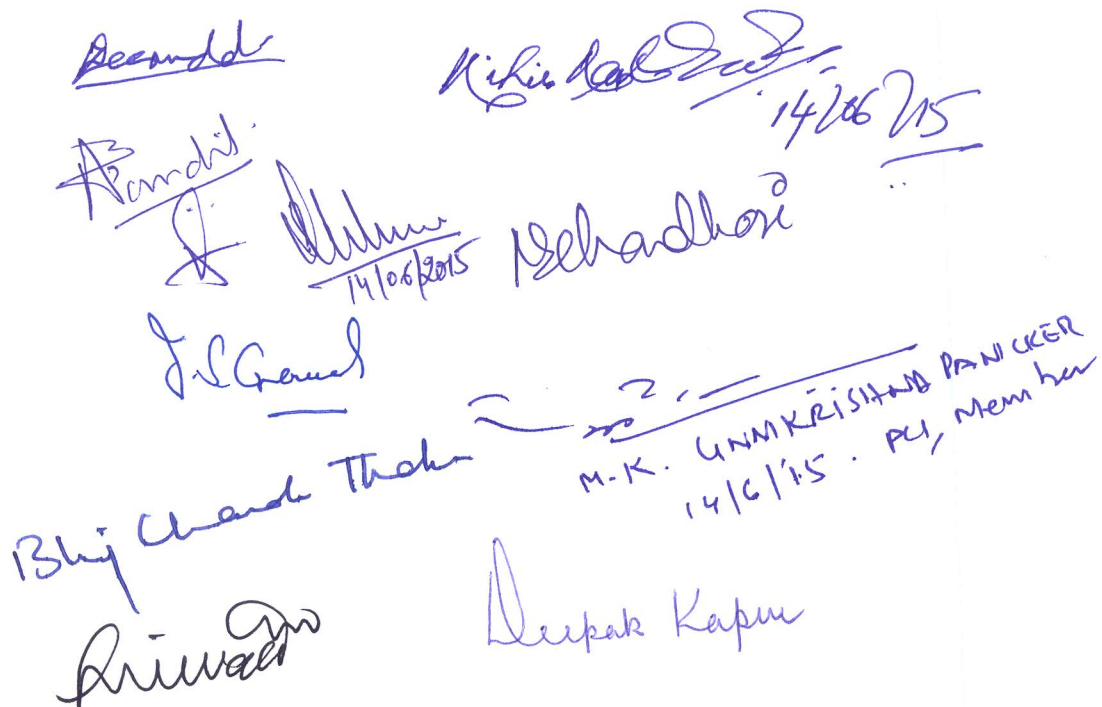

- Codification of academic programs as explained above.
- Some essential improvements in the labs in terms of optimum numbers of instruments, equipments, chemicals and glass wares, exhaust fans and installation of industrial type fire extinguishers.
- Operationalization of the kitchens and dining halls of the boy's hostels.
- Reallocation of the designated girl's hostel.

C. Final Recommendations

(Whether the University should be granted Approval Letter/ Approval Letter subject to compliance/ should not be granted approval Letter)

The committee unanimously recommends the grant of letter of approval to the University. However the University is advised to take remedial steps to rectify the deficiencies as highlighted above.
