F. No. 1-2/2009(AMPC) 18 September, 2023/August 27, 1945

Subject: Submission of compliance report by fake institutions-regarding

Dear Sir/Madam,

I would like to inform you that your institution figures in the list of fake Universities, as the institution is not a “University” within the meaning of Section 2(f) or Section 3 of the UGC Act, 1956, but engaged in the business of conferring degrees or using the word “University” with its name to defraud and cheat innocent students by awarding fake degrees. It has become a matter of concern as many students are becoming victims of the fraudulent act of your institution. The UGC Act defines the term “University” as follows:

“University” means a University established or incorporated by or under a Central Act, a Provincial Act or a State Act, and includes any such institution as may, in consultation with the University concerned, be recognized by the Commission in accordance with the regulations made in this behalf under this Act.

Section 3 of the UGC Act deals with the Deemed to be Universities. It provides that the Central Government may, on the advice of the Commission, declare by notification in the Official Gazette, that any institution for higher education, other than a University, shall be deemed to be a University for the purposes of this Act, and on such a declaration being made, all the provisions of this Act shall apply to such institution as if it were a University within the meaning of clause (f) of section 2 of the Act.

Further, as per Section 22 of the UGC Act.

(1) The right of conferring or granting degrees shall be exercised only by a University established or incorporated by or under a Central Act, a Provincial Act or a State Act or an institution deemed to be a University under section 3 or an institution specially empowered by an Act of Parliament to confer or grant degrees.

(2) Save as provided in sub-section (1), no person or authority shall confer, or grant, or hold himself or itself out as entitled to confer or grant, any degree.

(3) For the purposes of this section, “degree” means any such degree as may, with the previous approval of the Central Government, be specified in this behalf by the Commission by notification in the official Gazette.

Section 24 of the Act empowers University Grants Commission to take action against those institutions which engage in activities in contravention of the provisions of the UGC Act, 1956.

In view of the above, you are directed to submit a compliance report within 15 days stating that your institution is not awarding any degree. If no response is received from your side within the stipulated period, UGC shall be compelled to take strict action including legal action against your university.

With regards,

Yours sincerely,

(Manish Joshi)
