.....

**NAM S&T Centre – DST (South Africa) Training Fellowship on Minerals
Processing & Beneficiation (2016)**

Announcement

In line with its resolute efforts to promote South-South and North-South cooperation in science and technology, the Centre for Science and Technology of the Non-Aligned and Other Developing Countries (NAM S&T Centre) has instituted a number of Fellowship schemes that are aimed at supporting the deserving young scientists in the developing countries to establish closer linkages with the Centres of Excellence located in various countries, thereby facilitating the affiliation of these researchers with the academic and scientific institutions such as the Leibniz Centre for Tropical Marine Ecology (ZMT) in Bremen, Germany, the International Centre for Chemical and Biological Sciences (ICCBS), H.E.J. Research Institute of Chemistry in Karachi, Pakistan, or the Central Food Technological Research Institute (CFTRI) in Mysore, India, etc. The Centre has also initiated another Fellowship scheme in 2014 jointly with the Department of Science and Technology (DST), Government of South Africa [www.dst.gov.za] to provide opportunities for training on Minerals Processing & Beneficiation. The objective of the Training Fellowship is to address the skills gap in the minerals beneficiation value chain and enable the scientists / technologists from the member countries of the NAM S&T Centre [lists of these countries is available in the Centre's website]. to update their knowledge for benefitting from their countries' mineral resources by exposing themselves to new technologies in the area of Mining and Minerals. The selected Fellows are hosted and attached to MINTEK, South Africa (www.mintek.co.za) for exposing them to minerals processing technologies and undergo in-service training attached to the existing MINTEK programmes. Twenty Fellowships are available every year for a maximum duration of three months.

Applications are invited in the prescribed format for the Joint NAM S&T Centre – DST (South Africa) Training Fellowship on Minerals Processing & Beneficiation for the year 2016. Under this scheme, DST (South Africa) will provide a subsistence allowance @ of US\$ 300 per month, in South African Rand, for meals and out-of-pocket expenses in South Africa for the duration of the Fellowship. Accommodation will be covered by the government of South Africa.

The sending country or the candidates themselves will have to arrange for their international travel to and from South Africa.

Copies of the guidelines for the Fellowship and the application form are **appended below**. Completed applications recommended by the parent institutions of the applicants may be submitted directly to Mr. Selby Modiba and Ms. Palesa Motsoeneng at Selby.Modiba@dst.gov.za; Palesa.Motsoeneng@dst.gov.za DST, South Africa by **15 January 2016**.
