Subject: ULLAS- Nav Bharat Saaksharta Karyakram.

आदरणीय महोदया/महोदय,

The ULLAS (Understanding of Lifelong Learning for All in Society) initiative is a strategic and inclusive program aligned with the National Education Policy 2020. It aims to provide accessible educational opportunities for adults aged 15 and above who have missed out on formal schooling. The initiative focuses on foundational literacy and numeracy, life skills, vocational training, and continuing education, and is implemented through a hybrid mode, allowing States/UTs the flexibility to adopt offline, online, or blended learning models.

The overarching goal of ULLAS is to empower individuals across India by making Bharat "Jan Jan Sakshar"—a nation where every citizen is literate, informed, and actively engaged in society. This will be achieved by instilling a sense of duty (Kartavyabodh) and fostering community involvement, particularly through "Volunteerism". A dedicated ULLAS Mobile App has been created for registering Learners and Volunteer Teachers, facilitating the teaching-learning process by providing access to primers in 26 languages.

The Higher Education Institutions are requested to encourage the participation of students as volunteer teachers, with a special emphasis on fostering youth volunteerism as a critical strategy for achieving functional literacy across the country in the ULLAS- Nav Bharat Saksharta Karyakram.
