Subject: Hackathon from 21st to 23rd March 2025 -reg.

आदरणीय महोदया/महोदय,

The Ministry of Statistics & Programme Implementation has informed about a Hackathon event being organized in collaboration with the Indian Institute of Technology, Gandhinagar (IIT Gandhinagar). This Hackathon will take place from 21st to 23rd March 2025 at the IIT Gandhinagar Innovation and Entrepreneurship Center. It provides a unique opportunity for students, developers and researchers to solve real-world socio-economic challenges using public data, AI, and Data Science.

The Hackathon will feature 3 problem statements:

1. Development of an AI/ML-based predictive model for estimating Monthly Per Capita Expenditure (MPCE)
2. Development of a Semantic Search from text to National Industrial Classification Code
3. Development of an AI-based Legacy Data Extraction and Processing Tool

The application process has already started, and the last date for submission is 28th February 2025. Further details can be accessed at <https://iieciitgn.com/hackthefuture/>, please visit [Hackathon-MoSPI](#).

All universities are requested to encourage their students, researchers, and developers to participate in this Hackathon and contribute innovative solutions to the challenges.
