Creativity and critical thinking to encourage logical decision-making and innovation	It is suggested to take either Practical Examination & Viva in each course having practical hours in the teaching scheme, OR to take Active Learning Assignment in each course having only lecture/tutorial hours in the teaching scheme.
3.	Focus on regular formative assessment for learning rather than the summative assessment that encourages today's 'coaching culture'	It is suggested to reduce weightage of Semester End Examination on Final Grading of course and increase weightage of Continuous Evaluation.

Item No. 5 : To recommend the new Evaluation Policy for curriculums introduced from A.Y. 2023-24

NEP-2020 implementation committee of the University suggested completely new evaluation system for the curriculums introduced from A.Y. 2023-24 by keeping in view following fundamental principles of NEP:

Sr.	Fundamental Principles	Suggested Actions
1.	Emphasis on conceptual understanding rather than rote learning and learning-for-exams	It is suggested to introduced Unit wise MCQ test in each course having lecture/tutorial hours in the teaching scheme.
2.	Creativity and critical thinking to encourage logical decision-making and innovation	It is suggested to take either Practical Examination & Viva in each course having practical hours in the teaching scheme, OR to take Active Learning Assignment in each course having only lecture/tutorial hours in the teaching scheme.
3.	Focus on regular formative assessment for learning rather than the summative assessment that encourages today's 'coaching culture'	It is suggested to reduce weightage of Semester End Examination on Final Grading of course and increase weightage of Continuous Evaluation.

The detailed Draft Evaluation Policy prepared by NEP-2020 implementation committee was put in the meeting for the discussion, and it was modified as per suggestion received from all Boards of Studies.

Please further note that in the absence of PAN as per CBOT circular no. 8/11, TDS certificates will not be issued. Terms & Conditions (T&C)

Bank company interest based on the actual number of days in a year. In case, the deposit is spread over a leap or a non-leap year, the interest is calculated based on the standard of days i.e. 366 days in a leap year & 365 days in a non-leap year.

Tax Deduction at Source (TDS)

* As per section 206A of Income Tax Act, 1961 and Rule 309B of Income Tax Rules, 1962, every person who receives income on which TDS is deductible shall furnish his PAN, failing which TDS shall be deducted at the rate of 20% (as against 10% which is existing TDS rate) in case of domestic deposits and 30% (as against 20% which is existing TDS rate) in case of foreign deposits. Further, the linking of PAN with Aadhaar shall make PAN "operative" and may attract higher TDS rate.

* TDS rate is applicable from time to time as per the IT Act, 1961 and IT rules. The current rates applicable for TDS will be displayed on Bank's website. TDS is deducted when interest payable is credited as FD or RD per annum, except all Dividend, Dividend, Rs. 10,000/- (Rs. 50,000/- for minor citizens) in a Financial Year. * As per Section 139A(1A) of IT Act, every person receiving any sum of income is deemed to have furnished his PAN to the bank. If a person provides his PAN to the bank, the bank is responsible for deducting TDS. In case PAN is not provided as required, the bank shall not be liable for the non-deduction of TDS.
