D. No. No. F. 12-1/2022(IC)

28th December, 2022

Dear Madam/ Sir,

You may be aware that India began its one-year G-20 Presidency in December 2022 with the unique outreach campaign "University Connect," which invites young Indians to participate in bringing new ideas and perspectives to G-20-related topics. The entire initiative aims to portray Indian youngsters as India's cultural ambassadors in an effort to forge a lasting connection with the G-20 community.

Numerous activities can be undertaken at your institution to prepare students for conferences that will be held in a variety of locations and on a variety of topics related to the history, culture, and legacy of the area and allowing them to participate in the conferences and serve as facilitators for the foreign delegates. Students may be encouraged for being rapporteurs of sessions, providing translation assistance in foreign languages required for the meetings, organizing cultural shows, workshops, lectures on topics related to the G-20 issues.

As part of the outreach programme, you may also encourage your students to facilitate the mission lifestyle for environment "LiFE Mission" launched by the Hon'ble Prime Minister. For facilitating active participation amongst your students, you may promote Model G-20 forums, G-20 Branding in festivals and encourage participation of students in poetry, quiz and logo competitions being organized by the G-20 Secretariat in alignment with truly a People's G20 movement.

You are requested to initiate action plan, encourage participation of students and faculty members, and undertake activities in your institution along with ensuring dissemination of the issues under the ambit of India's Presidency in G20 across different locales.

With kind regards,

Yours Sincerely,

(Rajnish Jain)
