The Member Secretary also explained the need of increase in hostel fee & caution money (Security Deposit), as informed by MGMCH, from the students in view of steep hike in steep cost increase and also expectation of the students in terms of facilities.

He also presented and explained the assumption underlying the calculation, while working out the fee for MBBS and MD/MS. The expenses have been considered logically based on the past trend and relevant guidelines & provisions in force presently.

E. The member secretary also presented comparison of fee structure of some of the self financed private universities including D Y Patil , Pune & Mumbai; Sri Ramchandra University, Chennai; Subharti University, Meerut; Sharda University and Manipal University and the same is as under-

		MBBS	**MD/MS**	
Sr No	**Name of University**		**Clinical**	**Non Clinical**
		Rs - PA	**Rs - PA**	**Rs - PA**

E	Sharda University	669000	NA	NA
F	Manipal University	600000		

F. After detailed & in-depth discussions, critical analysis on the various aspects and examination of the whole matter objectively, the committee recommended the following fee structure i.e. tuition fee, hostel fee and caution money for MBBS and MD/MS-

A. Tuition Fee

Particulars	**Tuition Fee Per Student PA – Rs Lacs**	
Course	**MBBS from the academic year 2012-13 onwards**	**MD/MS from the academic year 2013-14 onwards**
Medical College (PG – MD / MS)		10.00
Medical College-MBBS	6.00	

B. Hostel Fee / Caution Money

Sr. No	**Particulars**	**One time**	**Single**	**Double**	**Triple**
A	**Hostel Fee - PA**				
	MBBS		60000	40000	30000
	MD / MS		100000	70000	NA
B	**Caution Money - One time (Both for college and hostel)**				
	MBBS	100000			
	MD / MS	150000			

While recommending the above fee structure, it was discussed in detail that though the actual cost including the development cost works out to be Rs 11.31 lacs for MD/MS and Rs 7.22 lacs for MBBS, looking to the level of fee at the other institutions and particularly considering the aim of providing education on reasonable cost in the state of Rajasthan, the committee reduced the fee structure to the above level i.e. Rs 10.00 lacs PA for MD/Ms and Rs 6.00 lacs PA for MBBS. It has been advised by the committee that the difference be met by separate small courses and the reduction in the development cost to the extent as may be practical to run the institution at least on the break even for the time being.

The MBBS fee structure shall be effective for the new admissions scheduled to be made during July – Sept 2012 onwards. The MD/MS fee structure, however, shall be effective from the next academic session of 2013-14 as the admissions to the MD/MS courses for the session 2012-13 have already been made.

The fee structure shall be applicable prospectively for the whole duration of the courses.

Also, it was decided that the fee structure unless modified shall remain in force for three academic sessions.

Proposal for kind approval of Board of Management-

A. Tuition Fee

It may kindly be noted that in certain PG (MD/MS) subjects, there are very few students available in view of employability after passing out and MGMCH wish to ensure teaching & training and thereby availability of residents / faculty in these subjects also and accordingly proposes to have different fee for different subjects in PG (MD/MS) within

The Chief Finance & Accounts Officer, MGUMST submitted a proposal to the President of MGMUST apprising the university authorities to consider revising the fee structure for MD/MS & MBBS courses running in the Mahatma Gandhi Medical College – a unit of Mahatma Gandhi University of Medical Sciences and Technology, Jaipur. The proposal also emphasized on the reasons and justifications to do it as it was to be essential to take this issue not only to sustain but also to develop the teaching and training facilities of the students keeping pace with fast developments taking place in these disciplines.

The University examined the issue and considering it a necessity decided to take necessary steps in this direction. The proposal was duly processed accordingly. The President / Registrar of the University then requested the Chairman of University to constitute a Fees Fixation Committee. The Chairman having considered the subject under reference constituted a committee on July 1, 2012 named as Fees Fixation Committee. The order of Chairman / Chancellor in this regard is enclosed herewith as Annexure - . The committee consisting of the following members met on 3rd July, 2012-

1.	Chairman	Mr Justice Shiv Kumar Sharma • Member, Law Commission of India • Former Justice - Rajasthan High Court • Former Executive Chairman - Rajasthan State Legal Service Authority
2.	Member	Mr. Shyam Lal Agarwal C A
3.	Member	Dr. Professor Ranbir Singh • Former Vice-Chancellor, NALSA National Law University, Hyderabad • Vice-Chancellor of National Law University, New Delhi
4.	Member	Dr. Professor P.N. Razdan Vice-Chancellor Dr. D.Y. Patil University, Pune
5.	Member Secretary	Mr. R.N. Kogata Financial Advisor, MGUMST, Jaipur

The subject was taken up at this meeting in its two sittings i.e. first at 11 AM to 1 PM and another at 2 PM to 5 PM.

The Member Secretary of Fees Fixation Committee presented the following account of detailed deliberations and decisions taken by the committee to revise and determine the future fee structure of MD/MS and MBBS courses.

"The Member Secretary of Fees Fixation Committee presented before the Hon'ble members of the committee a proposal giving all the relevant details on the subject under consideration outlining the parameters and profile related to request for revision of fee structure."

"The committee was also explained about all the financials figures, steep increase in expenses without matching increase in tuition fee, likely expenditure, infrastructure, future plans / profile, need of up gradation of equipments etc along with all the assumptions underlying the calculation."

"Based on the facts and figures and details submitted in the proposal, the fee structure for the respective courses as per genuine calculations thus figured as given below-

Course	**Tuition Fee Per Student PA – Rs Lacs**	
	2012-13	**2013-14**
Medical College (PG – MD / MS)		11.31
Medical College-MBBS	7.22	

"Besides the future fee, the committee was also requested to consider revision of hostel fee and caution money as these have always been linked with the fee structure as was determined earlier. As such the details pertaining to this also was presented before the meeting. Based on this, following structure of hostel fee and caution money to be charged / taken in future was presented before the committee-

Sr. No	**Particulars**	**One time**	**Single**	**Double**	**Triple**
A	**Hostel Fee - PA**				
	MBBS		60000	40000	30000
	MD / MS		100000	70000	NA
B	**Caution Money - One time (Both for college and hostel)**				
	MBBS	100000			
	MD / MS	150000			

"These were presented before the committee for its perusal and due consideration."

"In support of request, the proposal documents contained a comparative statement showing fee structure of some of the self financing state / deemed Universities -- Dr D Y Patil University, Pune; Dr D Y Patil University, Mumbai; Sri Ramchandra University, Chennai; Subharti University, Meerut; Sharda University, Greater Noida and Manipal

University, Manipal. There, MBBS tuition fee is ranging between Rs 6.00 lacs to 6.69 lacs per annum and MD/MS fee is Rs 10.00 lacs per annum. However, it may be important to mention that in PG (MD/MS) course, we pay the stipend to PG students for three years at the rate of Rs 33000.00 per month (Avg of rate for stipend for three years) totaling to Rs 3.96 lacs per annum per student."

"The committee specifically discussed in detail that though the actual cost including the development cost works out to be Rs 11.31 lacs per annum for MD/MS and Rs 7.22 lacs per annum for MBBS, looking to the level of fee charged by other parallel Universities and particularly considering the aim of providing quality education and maintaining high standard of teaching and training in the disciplines of medical sciences at a reasonable cost in the state of Rajasthan, the Fee Fixation Committee gave a serious thought on the issue of revising the fee structure to enable the institution to sustain and develop to meet the desired expectations in future."

"The Hon'ble committee members discussed and deliberated on the issue giving due consideration to the facts, figures, genuine reasons and all legitimate justifications contained in the proposal and aptly presented before the committee. Having done it and the committee trying to keep the fees structure to a little lower level than proposed by the University, the committee unanimously resolved that the following fee structure be approved and recommended to be charged for the respective courses of MD/MS and MBBS along with the hostel fee and caution money-

A. Tuition Fee

Particulars	**Tuition Fee Per Student PA – Rs Lacs**	
Course	**MBBS from the academic year 2012-13 onwards**	**MD/MS from the academic year 2013-14 onwards**
Medical College (PG – MD / MS)		10.00
Medical College-MBBS	6.00	

B. Hostel Fee / Caution Money

Sr. No	**Particulars**	**One time**	**Single**	**Double**	**Triple**
A	**Hostel Fee - PA**				
	MBBS		60000	40000	30000
	MD / MS		100000	70000	NA
B	**Caution Money - One time (Both for college and hostel)**				
	MBBS	100000			
	MD / MS	150000			

"The committee, however, felt that the difference between the fee structure approved by the committee and the proposed one should be met by separate small courses and the reduction in the development cost to the extent as may be practical to run the institution at least on the break even for the time being."

The President of the University submitted to the Hon'ble members of Board of Management that the PG seats in all subjects are not uniformly filled every year. There are subjects like Anatomy, Physiology and others, which are not in demand and thus seats go empty. Likewise there are PG courses in other subjects which are in little demand and therefore seats are not fully filled. However, the PG seats in clinical subjects are filled in easily.

In view of attracting students and providing & producing the post graduate in not so favourable subjects also, it was proposed that the fee structure of such MD/MS subjects may be kept low. Following fee structure thus modified in response to the above proposal for MD/MS was presented before the Hon'ble Board of Management for its perusal and consideration-

10. Additional Agenda with the permission of the Chair :-

i. The Medical Council of India has directed that admission to the Under Graduate and Post Graduate Medical and Dental courses shall be made through the All India National Eligibility cum Entrance Test (NEET) conducted by or under the agencies of the Medical Council of India from the Academic Session 2013-14. The National Eligibility cum Entrance Test (NEET) for admission to post graduate courses has already been conducted. Meanwhile, few State Governments, Institutions and Universities had made re-presentations against this decision and demanded that admission to the Medical and Dental courses should continue to be made through their State or University conducted examination. Writs were filed in Hon'ble High Court and Supreme Court of India, which have been clubbed together and the matter is being currently heard by the Supreme Court of India from January 15, 2013.

   Hon'ble Supreme Court of India before starting the hearing on this case had issued interim orders in T.C. (Civil) 101 of 2012 dated December 13, 2012 saying that Universities, other Institutes and States are permitted to hold their own entrance examinations for under graduate/post graduate courses but directed that their results shall not be declared until the decision of the Supreme Court of India. Thenafter the admission will be made as per the directions to be issued by the Supreme Court of India.

   Accordingly, thereafter our University has conducted the Post Graduate Medical Entrance Test on January 11, 2013 for admissions to the post graduate courses in Medical and Dental colleges. The Post Graduate Medical Entrance Test was conducted by the University with full integrity and transparency. The result has not been declared. The University is waiting for the final decision of the Supreme Court of India for necessary action in this regard.

MGUMST/Registrar/Academic Council/2012/ Date : December 20, 2012

Minutes/Proceedings of the Fourth meeting of the Academic Council held on December 17, 2012

Fourth Meeting of the Academic Council was convened on December 17, 2012 at 12:00 noon in the Conference Room of the University under the Chairmanship of Dr. Hari Gautam, President, MGUMST. List of the participants is annexed as **Annexure-1**.

The President welcomed the esteemed members of the Academic Council attending the meeting and appreciated the contribution made by them from time to time to bring about the academic progress of the University.

Before taking up the Agenda, the President informed the Council about the sad demise of Pro-President Dr. Sudhir Sachdev's mother on December 15, 2012 and requested to the Council to express the condolence in this regard. Accordingly the Council stood in silence for two minutes and prayed almighty God to grant peace to the departed holy soul and the courage to the grieved family.

Thenafter the Council was adjourned to re-assemble again after a short break. The Council re-assembled and took the official matter on discussions as laid down in the agenda.

Before taking up the agenda, the President announced the joining of Dr. Ajay Kumar Sharma as Registrar of the Mahatma Gandhi University of Medical Sciences & Technology, Jaipur on November 01, 2012. On behalf of the Academic Council he welcomed Dr. Sharma and expressed the Council's gratitude for having taken up this assignment after resigning and getting relieved on VRS from the University of Rajasthan. Dr. Sharma has been the Deputy Registrar for 17 years and earlier, Assistant Registrar for 10 years, thus totaling to 27 years of experience in University Administration.

Thereafter the Chairman opened up the session as a zero hour of the Academic Council meeting and besides inviting the proposals from the members, he presented certain matters for discussions and decision making. These were taken up as the agenda item with the 'permission of the Chair'. Following decisions were taken :-

1. It was decided that the P.G. Guides shall be allotted by the respective Dean/Principal only on the basis of merit of the students. In a situation, where there are more candidates than the Professors, only then the qualified Associate Professor shall be made a guide. The allotment shall be done in order of the seniority of the guide - the Head of Department – first, the Professors – next and the Associate Professors – thenafter. The guide has to be an approved P.G. teacher. In case, where there are more P.G. students than the Professors and the P.G. approved Associate Professors, the Head of Department shall take the extra candidate/candidates, as the case may be. But the extra candidate shall be that whose merit is lower than the merit of the last candidate allotted to other guides. In a situation, where there are more qualified Associate Professors, then candidate will be allotted to the Associate Professor in rotation.

   It was also decided that Co-guides/Adjunct Co-guides should be made for guiding the P.G. students in their thesis work and for preparing the thesis before its submission to the University. The Co-guide(s) has to be a person of relevant expertise and he does not need to be a P.G. teacher. There shall be no limit in number of Co-guides. The Co-guide(s) shall ordinarily be taken from amongst the faculty of sister department of the University but in exceptional cases a Co-guide can also be taken from out side the University belonging to other University/Institution. The thesis shall be submitted by the candidate only after the guide and co-guide have approved and signed it.

2. It was decided to finalize the thesis subjects to be allotted to the first year M.D./M.S./M.D.S. P.G. students admitted in the session 2012-13 through the current

practice adopted at the Departmental meeting. The information about the allotted subject to the P.G. student shall be submitted by the concerned Head of the Department on the prescribed format to the Additional Registrar (Academic) for the registration of the subject. It must be done by January 15 of every session.

3. It was decided to explore the possibilities of starting Ph.D. degree programme in Mahatma Gandhi University of Medical Sciences & Technology. Jaipur. An action shall be shortly taken and the matter shall be presented in the next meeting of the Academic Council.

4. It was decided to improve the class attendance of under graduate students. In this context it was felt that besides motivating the students and enforcing strict measures, the faculty itself must take the teaching seriously and deliver the best to make their deliberations and lectures more attractive and interesting. The matter regarding permitting students to take examination, where attendance is below the mark, it was decided that strict adherence to the compliance requirement – should be made. A committee to take this issue shall be constituted to evaluate the situation.

5. It was decided that one week per academic session be solely devoted to the celebration of extra curricular activities, cultural programme and sports etc. common to all faculties of the University. This shall be at any one time in the month of February ensuring that it does not interfere with any important event, examination, conference etc. It was decided that this should be included in the academic calendar of the University. The Principals should not be left alone to do this. Instead, it should be the responsibility of the faculty and the administration to guide and provide all necessary facilities for successful disciplined activities. A committee/Committees shall be constituted by the President in this respect.

6. The proposal of the President requesting/advising the Head of Departments to organize National/State conferences, Seminars and Workshops in their respective disciplines to create academic dissemination besides improving the branding of the University – was approved. The University shall provide the seed money and the financial support to take care of this.

7. The proposal of the President that the Microbiology Lecture Theater be not left open and unattended – was approved. In order to safe guard the infrastructure therein and to properly maintain the lecture theater, it was decided that it shall remain locked and in possession of the competent employee under the control of Shri Yogendra Verma. This employee shall open the lecture theater at least 20 minutes before the scheduled lecture and shall ensure that all the infrastructure is in order and all the audio visual facilities are working properly. He shall remain in attendance till the lecture is over. In order to accomplish this, a lecture schedule has to be handy with this employee. A semester lecture schedule of each faculty/department maintained in their respective Dean's office shall be made available for necessary compliance.

Thenafter the Agenda Items were taken. Discussions and deliberations took place on each agenda and following decisions were taken :-

1. That the minutes of the earlier meeting of the Academic Council held on February 22, 2012 – be confirmed.
