Dear Madam/Sir,

As you are aware, UGC has issued guidelines on 13.04.2022 for pursuing two academic programme simultaneously wherein UGC has allowed a student to pursue two academic programmes simultaneously. Higher Educational Institutions (HEIs) were requested to implement these guidelines for the benefit of the students. Also your attention is invited to UGC letter dated 30.09.2022 wherein universities were requested to devise a mechanism through their Statutory Bodies that could facilitate the students to pursue two academic programmes simultaneously.

It has come to the notice of the UGC that students are facing difficulties as HEIs insist on migration certificates / School Leaving Certificate. In the absence of these certificates, the students are not granted admission and that defeats the facility of pursuing two academic programmes simultaneously.

It is, therefore, once again requested that the universities may kindly devise facilitative mechanisms through their statutory bodies to allow the students to pursue two academic programmes simultaneously.

With kind regards,

Yours sincerely,

(P.K. Thakur)
